- Completion of hire agreement, presentation of appropriate CPR Certificate and payment made at the office by **1.00 p.m. Monday – Friday.**
- Door access will be available at this time.
- **PLEASE NOTE:** The administration office will be closed over the school holidays and key cards will not be able to be purchased or recharged between 17<sup>th</sup> December 2025 to 31<sup>st</sup> January 2026. It is therefore recommended that those opting for the monthly plan ensure their payment for January’s pool access is made prior to December 19<sup>th</sup>.

Please do not store your electronic pool access card near mobile phones as this will stop the card from working and render it unable to be reprogrammed and void of a refund.

### BUDDY SYSTEM

We are required by the RLSSA to support a 2 person buddy system, to ensure in the event of an accident/emergency there is back up support by a buddy.

If you choose to swim as an individual you do so at your own risk. Your signature on the pool application key implies you acknowledge and accept this condition.

\*\* As this is an unsupervised pool, cardholders are required to have access to a mobile phone while in the pool enclosure in case of emergency.
