

St Marys Community Space Inc.

**WE NEED
YOUR HELP**

The St Marys Community Space is a wonderful, on-going community project but we really need your help to make this happen!!

At present, all progress and fundraising efforts have fallen on four dedicated people and their families. To continue this exciting project, we need more members of our community to get on board.

Can you volunteer to attend our monthly planning meetings?

Are you able to assist with our fundraising efforts?

If you can spare a little of your time to help with this project or would like some more information phone:
